*HASA is a student organization within the college of Public Health and Health Professions composed of graduate level students pursuing careers as leaders in the healthcare industry. One of the objectives of the student organization is to promote health through community outreach efforts.*

# “Kickin It For The Kids”:

## Purpose Statement:

- Proceeds from the kickball tournament were donated to *The Alachua County Little League* to support underprivileged children who otherwise would not be able to play on a team in the upcoming season.

- Funds were also utilized to support HASA members traveling to Chicago for *The American College of Healthcare Executives* annual conference as well as the continued efforts of HASA outreach activities.
- Approximately **\$1,000 dollars** was raised!

## *Participants:* *Meet the Players*

- Eight teams of 8-12 players participated in the kickball tournament*
